

GETTING TO THE VENUE

BY CAR

ExCeL is accessed from the A13, which is not affected by the event route. This can be reached from central London, Blackwall and Rotherhithe Tunnels, the A406 North Circular, M25 and M11. Please check for any weekend road works that may affect these routes.

ExCeL Parking is signed from both Prince Regent Junction and Canning Town.

There will be road closures in operation for the duration of the event in particular Sunday. Please see our website for full details.

VENUE PARKING

Due to redevelopment of the venue, there will be more limited parking on the event site than in previous years, therefore **all on-site parking is to be used by participants, additional parking with coach transfer will be provided by the venue to accommodate spectators.**

This is to ensure that participants with bikes and equipment have easy access to the venue. Spectators should follow signs to off-site parking from Silvertown Way and Prince Regent Lane. A shuttle bus service will operate between the parking and the venue throughout the day.

Costs: All parking (spectator and competitor) is available at the cost of £3 per hour up to a maximum of £15 for the whole day. For visitors that wish to stay overnight the 24 hour charge is £21.

The west multi-storey and the Undercroft (accessed from the East Car Park) have a height restriction of 2m – please use the East Car Park if you transport your bike on a roof rack or if you have a high or wide vehicle.

Note that a Park and Ride service from off-site car parks will be provided by ExCeL for spectators to ensure that participants with all their equipment can access the venue more easily.

PUBLIC TRANSPORT - IMPORTANT TRAVEL INFORMATION

BICYCLES ARE NOT PERMITTED ON THE DOCKLANDS LIGHT RAILWAY

ExCeL London is connected to the Jubilee line at Canning Town via a 3 minute DLR journey. DLR has advised us that they will NOT accept any bicycles at any point over the weekend.

The JUBILEE LINE will be CLOSED between North Greenwich to Stratford (Saturday 9th August) and between Canary Wharf to Stratford (Sunday 10th August) due to essential engineering works. Visitors are advised use the following alternatives for the best access to ExCeL from Central London:

- Take the Docklands Light Railway (DLR) from Bank and change at Canning Town for a Beckton bound service – then alight at Custom House for ExCeL (2 stops after Canning Town)
- * Take the Jubilee Line to Canary Wharf, change onto the DLR service. Take the first Stratford bound train and change at Poplar onto a Beckton bound DLR train and alight at Custom House for ExCeL

NEAREST TRAIN STATIONS ARE:

Stratford 3.5 miles from ExCeL
West Ham 1.8 miles from ExCeL

We strongly advise competitors to arrive at the venue using private transport although the DLR remains open for spectator use.

For information about travelling on public transport with a bicycle or to select a bike route, refer to Transport for London (www.tfl.gov.uk) or London Cycling Campaign (www.lcc.org.uk).
